Q.34 Study the following information carefully and answer the question that follows.

The following are the eligibility criteria for becoming a member of a library.

- (i) The applicant should be able to pay a one-time membership fee of ₹10,000 and contribute two books worth ₹500.
- (ii) The one-time membership fee is relaxed up to 50% if the applicant donates books worth ₹5,000 in total.
- (iii) For school students, membership fee is relaxed till the age of 18 years.
- (iv) Serving school teachers are required to pay only ₹2,000 if they help 20 students to become members of the library.
- (v) Only for serving Defence personnel and their wards, the membership of the library is free of cost.

Data/information about an individual is given. You have to decide, based on the information provided, under which criterion/criteria is the individual eligible, if so, to get a membership. Please note that an individual can be eligible under more than one criteria. You are not to assume anything other than the information provided in each question.

Mr. A is 30-years-old and the son of a retired army officer. He is ready to pay a membership fee of ₹10,000 and contribute two books worth ₹500.

Ans

- ☒ 1. Eligible only under (v)
- ☒ 2. Not eligible
- ☒ 3. Eligible only under (i)
- ☒ 4. Eligible only under (ii) and (v)
